

INQUIRY ORDERED,  
PROTEST FILED, IN  
LANGDON DEATH

Note to Japan Follows  
Shidehara's Visit  
To Davis.

Regarding the killing of Naval Lieut. W. H. Langdon as "serious and regrettable," the American State Department has transmitted to the Japanese government a demand that "adequate steps" be immediately taken toward rectifying the wrong so far as possible and preventing a recurrence of such an incident.

At the same time an American naval court of inquiry, composed of high ranking officers of the Asiatic fleet, was authorized yesterday by Rear Admiral Gleaves, commander-in-chief of United States forces in Asiatic waters, and accompanied by the admiral will leave Manila January 20 for Vladivostok aboard his flagship to investigate the circumstances surrounding the killing of the naval officer.

**Davis Forwards Note.**  
In the note to Japan forwarded by Acting Secretary of State Sorman H. Davis, the Tokyo foreign office is advised that the government has been advised of the fact of Langdon's death, and confidence is expressed that the Nippon government will view the incident in the same light as this government. The memorandum recites that the act of the Japanese sentry is believed to be an unjustified attempt to detain an American officer, and the inference is plain that doubt is felt by this government as to the right of the Japanese government to continue its occupation and patrol of the city of Vladivostok.

The dispatch of the American note to Japan was decided upon after Baron Shidehara, Japanese Ambassador to the United States, had called at the State Department and expressed the regrets of his government over the incident.

**Baron's Call Not An Apology.**  
The call of Baron Shidehara, however, was not interpreted as an apology, and was not accepted by the State Department as adequate explanation of the killing of Langdon.

The naval court of inquiry named by Admiral Gleaves is composed of Capt. H. L. Kane, commanding the Huron, flagship of the command; in-chief; Comdr. J. B. Rhodes, commanding the Wilmington; Comdr. Robert V. Lowe, commanding the naval station at Olongapo, Philippine Islands; and Maj. Eugene P. Fortson, fleet marine officer.

Admiral Gleaves notified the Navy Department that the Japanese authorities at Vladivostok had ordered a court of investigation and that Comdr. Richardson, of the U. S. S. Albany, had received a telegram from the Japanese war minister expressing regret at Langdon's death.

**New Highway Completed.**  
The Banff to Lake Louise highway, in Alberta, has just been completed with the opening of the bridge near the Lake Louise station. During the war work on this highway was carried on by interned enemy aliens, and at the conclusion of hostilities the parks department of the Dominion government undertook to complete the work. The road will not be opened before spring, when it is expected that thousands of tourists will motor to Lake Louise from Banff and view the incomparable scenery which was hitherto inaccessible.

Children from nearly every nation in the world are at study in Force Public School, Washington, D. C. The pupils are members of families of the diplomatic colony stationed at the Capital.

**British Deny Charge**  
**Cables Are Censored**  
LONDON, Jan. 14.—The British foreign office and other government departments which have been excluded over the charges of British censorship of American cables, after making a thorough investigation decided today to deny Newcomb Carlton's statements officially.  
It is probable that Ambassador Geddes was asked to take action because of the State Department recently criticizing the British Embassy for sending a newspaper clipping to the chairman of the Senate investigating committee without acting through the department. This incident, however, is closed officially.

**Kelly-Springfield Firm.**  
NEW YORK, Jan. 14.—Kelly-Springfield, which declined from 160 to 25 1/2 today sold ex-dividend at 42 1/2. The disbursement is estimated to be worth 2 1/2 points, which, added to a high of 46 1/2 scored in the afternoon, made it one of the outstanding features of strength of the day. The long decline wiped out the marginal holders, and it is reported that the stock is in strong hands.  
Of every 1,000 children who enter school only 136 continue on to the end of high school and 23 finish college.

**Back Bad Since the Grip?**

HAS a cold, grip, or other infectious disease sapped your strength? Do you suffer constant backache, and bladder irregularities; lack ambition, feel nervous, irritable and depressed? Then look to your kidneys! Physicians agree that many of the worst cases of kidney trouble are the result of some infectious disease. Too often the kidneys are neglected because the sufferer does not realize they have broken down under the strain of filtering the disease-created poisons from the blood. That's why so many people recover from infectious diseases only to find themselves victims of serious kidney ailments. Don't risk this neglect! If your back is bad, your kidneys act irregularly, you have headaches and dizzy spells, and feel weak, tired and all run down, help the weakened kidneys with **Doan's Kidney Pills**. Doan's have helped thousands. They should help you. Ask your neighbor!

**These Are Washington Cases:**

<b>SIXTH STREET S. E.</b> E. T. Jones, 102 Sixth St. S. E., says: "My back was weak and so lame I could hardly stoop or lift anything. My sight blurred and my kidneys didn't act right at all. I became run down in general and tried many remedies with no relief. Finally Doan's Kidney Pills were brought to my attention and I found them to be just what I needed, soon ridding me of the aches and pains in my back. I haven't had a sign of the trouble since."	<b>"H" STREET N. W.</b> Mrs. L. H. Middlekauff, 439 H street northwest, gave the following statement December 4, 1912: "I have used Doan's Kidney Pills with satisfactory results and gladly recommend them for backache and kidney ailments. Doan's do just exactly as they are advertised to do." On November 15, 1913, Mrs. Middlekauff said: "My faith in Doan's Kidney Pills is as strong as ever. Doan's are sure to give immediate relief whenever I have need to take them."	<b>GRANT ROAD N. W.</b> George G. Warren, 2912 Grant road northwest, says: "My kidneys troubled me and I think it was caused by a strain I received when lifting. I was given a trial box of Doan's Kidney Pills, and that proved so satisfactory that I bought a supply. I used five boxes of Doan's altogether, and the trouble disappeared." Over seven years later Mr. Warren said: "I gladly confirm my previous statement endorsing Doan's. Doan's have never failed to give me relief when I have used them."
